

Wendy (26x26')

Producer: Red Kite Animation

Distributors: ZDF Enterprises, France Televisions Distribution, August Rights

They say: "Charts the adventures of its teenage heroine and focuses on her equestrian-centered life."

We say: With pubcasters France Televisions and ZDF attached, this CGI show is the result of a deal between August, its

Scottish subsidiary Red Kite and Wendy Promotions, and is based on the German comic of the same name. *Wendy*, the first show for newly created August Rights, targets six- to nine-year-olds.
