NEW PRODUCT:

Wicked Science II: (26x26 min.) It's game on between the wizards of science once again in the new season of the successful children's drama series.

Rudi and Trudi: (26x11 min.) The dynamic duo travel to amazing places, like underwater cities, crystal landscapes and magic forests.

Quelle: World Screen News,

MIPCOM Edition, Oktober 2005

ZDF's *Wicked Science II*.

Space Goofs: (26x26 min.) Four strange monsters from a distant Galaxy hide in an attic to avoid becoming scientific specimen.

Shaolin Wuzang: (26x26 min.) In 17th century China, demon Heihu has escaped prison and only the Shaolin Kids can defeat him.

The Hitler Family: (1x43 min. or 1x52 min.) A documentary providing the first comprehensive portrait of Hitler and his family, with newly discovered, unpublished material.

Michelangelo Superstar: (1x1 hr.) The film uses flashbacks to move through Michelangelo's past.

A Case for Two: (240x1 hr.) Private detective Josef Matula and lawyer Dr. Lessing track down criminals in the city of Frankfurt.

Cologne P.D.: (53x43 min.) In the district around Cologne Cathedral, a pulsating media metropolis has grown.

The Investigator: (42x1 hr.) Stories of murder cases that get under the skin, and the methods used to solve them.

Dragon II: (26x10 min.) Based on the delightful *Dragon Tales* books by award-winning author Dav Pilkey.
