

ZDF ENTERPRISES is banking on China at MIPCOM 2007. The two-part HD series China's Great Wall (2 x 52 mins) tells the story of one of mankind's greatest architectural achievements, the construction of which claimed countless lives. Zhao Ling — The Secret Of The Emperor's Tomb is a 52-minute documentary about the search for the tomb of Emperor Taizong, who led China through a golden age of invention and discovery. After his death in 649, he was buried in a sumptuous mausoleum.

Also from ZDF come 13 new episodes of Here Comes Kalle, a family crime series about two police officers who solve crimes with the help of a terrier.
