### NEW PRODUCT

**Wolfblood** (Kids live action, 26x26 min. HD) Maddy and her new classmate Rhydian are teens with a big secret: they're Wolfbloods, who can change from human to wolf form at will.

**Wendy** (Kids animation, 26x26 min. HD) Girls 6 to 10 will love this animated series full of fun, adventure, friendship and horse riding, based on characters from the magazine of the same name.

**Michel** (Kids animation, 52x11 min. HD) Michel is a perfectly normal child—except that he's a little, four-eyed, furry ball of a monster who enhances the lives of others.

### ZDFE's *Crime: Stories*

**The Fall** (Crime/suspense, 5x60 min./3x90 min. HD) In her first investigative series since *The X-Files*, Gillian Anderson plays a brilliant detective pursuing a cunning serial killer in Belfast.

**Reef Doctors** (Family drama, 13x45 min. HD) This medical drama stars Lisa McCune as a doctor who runs a clinic on an island in Australia's Great Barrier Reef.

**Crime: Stories** (Crime/suspense, 6x45 min. HD) Based on the bestselling book by Ferdinand von Schirach, this mini-series consists of stand-alone episodes portraying unusual cases inspired by actual crimes.

**Roads to Happiness—Footsteps in the Sand** (Love/romance, 99x43 min. HD) Sporting the well-known telenovela name *Roads to Happiness* in its title, this series has been shot with a lavish, brand-new production technology.

**Rocket City Rednecks** (Factual, 20x30 min. HD) Five backwoods geniuses from Alabama use science and ingenuity to solve big problems, from launching a rocket with moonshine to building an Iron Man suit.

**Invisible Universe** (Factual, 2x50 min. HD) Captured in HD by state-of-the-art high-speed cameras, events much faster than our eyes become visible and let us uncover natural mysteries in stunning detail.

**Navajo Cops** (Factual, 7x50 min. HD) A small force of 330 officers must protect and serve the 180,000 citizens of the Navajo Nation, the largest Indian reservation in North America.
