

From war to law

Savvy Lena (ZDF Enterprises)

AMONG the series brought to MIPTV this year by ZDF Enterprises (ZDFE) is *The Savvy Lena* (3 x 90 mins). The action centres on Lena Berkow, who flees to Bavaria with her mother and sister as the Soviet troops advance into Germany at the end of the Second World War. Lena's dream is to follow in her father's footsteps and to develop a TV set for the masses. Other ZDFE titles include *Bastei-Collection* (6 x 90 mins), which is based on the romance novels of the Bastei publishing house; and the crime drama *Verdict Revised* (12 x 44 mins), which focuses on four law students who take on the cases of convicted felons who claim they are innocent. ZDF is also highlighting a new season of the long-running medical drama *The Country Doctor*.
