

## Out of the cold

GERMANY's ZDF Enterprises returns to MIP-COM with Claude (52 x 10 mins), starring a three-year-old polar bear who loves ice cream. Having moved from his icy home in Little Snowington, Claude is now getting to grips with his new life in the sunny town of Bearhampton. ZDF is also prioritising The Elephant Princess (26 x 26 mins), a fantasy series featuring an ordinary girl who, on her 16th birthday, is visited by an exotic young man with an elephant. The mysterious visitor tells her that she is really a princess, and the heir to the throne of a magical kingdom in a parallel universe.
