

ZDF.enterprises ZDF Enterprises holds another sizzling Sundowner at La Mandala

No volcanoes erupted as Alexander Coridass, President and CEO of ZDF Enterprises, greeted the firm's Sundowner guests - even though exploding volcanoes held center stage in two of ZDF Enterprises' MIPCOM highlights, SAM FOX - EXTREME ADVENTURES, a live-action family series about a normal teen who's a danger magnet, and COUNTDOWN TO A CATASTROPHE, a three-part doc on the interconnections between natural disasters. Also causing a stir is the second season of the Danish-Swedish thriller series THE BRIDGE and the musical entertainment show for young songwriter talents, YOUR SONG. Best-selling British children's author and illustrator Nick Butterworth, creator and executive producer of the animated series Q POOTLE 5, was the special guest of the event.
