Blochin: The Living & the Dead (1x90'+4x60')

Producer: Real Film Berlin.

Distributor: ZDF Enterprises.

They say: "A complex reality of everyday life, in which the underworld is inseparably linked to society's elite."

We say: The pilot episode was well received at Berlinale in February and, with Matthias Glasner (*Tartort*) the creator and director, this ZDF crime series looks set to ride the current interest in German drama. Jürgen Vogel (*Stereo, Mercy*) plays the title character, a criminal turned cop.
