## ZDF Enterprises celebrates its MIPTV highlights with over 400 guests at 'Sundowner'

ZDF Enterprises' Sundowner again proved to be a highlight event for industry VIPs and market professionals. This year, ZDF Enterprises was even the lead sponsor of the main country feature FOCUS ON GERMANY. Sundowner focused on the top spring highlights. Buyers showed great interest in KU'DAMM 56 – REBEL WITH A CAUSE, the social drama set in post-war Berlin. THICKER THAN WATER II and THE FALL II were other exciting programs with great contents. The junior series WOLFBLOOD and the stylish comedy-horror extravaganza SCREAM STREET met with strong interest too. In the factual sector, the documentaries WHY SIZE MATTERS, THE LESSER CAUCASUS and especially FIRST FLIGHT – CONQUEST OF THE SKIES attracted everyone's attention. The entertainment family feature YOU CAN'T FOOL ME!, a believe-it-or-not game show, rounded off the range.

Heike Hempel (Head of the Main Editorial Department TV Movies and Series II, ZDF), Annette Hess, Author of Ku'damm 56, and Benjamin Benedict, CEO, UFA FICTION, are proud to be among the 12 top international drama series to be nominated for the MIPDrama Screenings for Ku'damm 56.
