

## ZDF Enterprises off to a great start of MIPTV with a crowded «Sundowner»

Always a not-to-be missed event on the Croisette is ZDF Enterprises' Sundowner, in which its President and CEO, Alexander Coridass, and COO Fred Burcksen, welcomed almost 400 guests with a preview of some of the firm's MIPTV highlights. Leaping off the screen were the animated RUSTY KNIGHT and some fearsome creatures from NATURE NOW! Another stand-out hit is the rejuvenated quiz format DALLI DALLI - good-natured fun for all. And since the ZDF Enterprises line-up just doesn't feel right without a new Scandinavian series, the Sundowner guests got a first look at THICKER THAN WATER, Sweden's latest TV-drama-hit and brand new addition to the distributor's catalogue.
