

### ZDF Enterprises and over 400 guests celebrate its MIPTV highlights at the 'Sundowner'

It was a tight fit for ZDF Enterprises' guests. The event location was filled to the rafters with industry VIPs and other crème de la crème of the media world, qualifying the Sundowner as a major market event. The firm's special guest of honor was Norbert Himmler, the Executive VP Programs of ZDF German Television. Alexander Coridass launched the spring market with a moving welcome address as well as an entertaining sales trailer that included the firm's thriller highlights BLOCHIN and BLUE EYES, both selected by BERLINALE 2015 for the 'Special Series'; the factual hit and German-Polish co-production THE INVASION: THE OUTBREAK OF WWII; the outstandingly successful game of knowledge QUIZ CHAMPION; and the children's animation CAPTAIN FLINN AND THE PIRATE DINOSAURS.

Norbert Himmler (Executive VP Programs of ZDF German Television), Bill Sondheim (President of Cinedigm) with ZDF Enterprises' President and CEO Alexander Coridass.
